

Dear Parents & Carers,

Relish are delighted to be working with Good Shepherd Catholic School.

We are committed to providing quality, fresh ingredients that we cook from scratch to produce our daily menus. Wherever possible, we use seasonal produce and the daily food offer allows our children to choose from a wide variety of freshly prepared main meals and desserts.

We take pupil voice very seriously. Knowing what a positive impact good food can have on the developing minds and bodies of our children, we attend school council meetings to ensure we capture initial reactions to new dishes and food ideas and gain understanding about what works well.

We hold many special days within the school year and will be working with the school to make sure there is relevance to the event – it may be linked to the curriculum or a theme within school. We welcome the wider community to our events to showcase what we do best!

We are pleased to also announce that we have a special login area called the 'Parent Portal' on our website where you can view and download our menus and recipes, see what forthcoming events are planned, look at allergens, view what your child has chosen for any specific day and directly message the catering manager.

To set up your parent account, simply go to the link below: <https://relishschoolfood.co.uk/parents>
Once complete, we will send you a message or email so you can activate your account which will keep us in touch with you until the end of school!

Your Relish Parent Portal account will link directly with your Parentpay account where you pay for school meals.

We look forward to welcoming and providing the very best service for every child at Good Shepherd.

Relish! support your school to provide food across the school day that is fresh, wholesome and enjoyable for children to eat. Lunchtime equates to 1/6 of your child's day so we give it the attention it deserves!
